

HFHGCC's ReStore is a retail outlet, selling deeply discounted home improvement items and furniture to the public. **Everything in the ReStore is donated so we can sell it at a fraction of the retail price.** We partner with businesses and individuals to get the highest quality merchandise possible, and we also rely on volunteers to help us out so that we can keep our costs as low as possible. **100% of the ReStore profits go to HFHGCC to help fulfill its mission of providing quality homes to deserving, working families.** An added benefit is that many of the items we sell would otherwise end up in the garbage. The ReStore averages 30,000 pounds from landfills each month! We provide businesses and individuals an opportunity to repurpose items they no longer need, while offering a tax benefit for contributing to a qualified 501(c) 3 organization. **ReStore relies on generous donations.** Below are lists of items the ReStore can and cannot accept. All items must be clean and in working order. Donations can be dropped off during ReStore hours, no later than 15 minutes before closing. If your item(s) are on one of our lists but are too large for you to deliver to us, please contact us to schedule a **free** donation pick-up.
